## Welcome to MAMTC

**Need an edge over competition? You've come to the right place.**

Small to mid-sized manufacturers need an edge in today's increasingly competitive global marketplace. The Mid-America Manufacturing Technology Center (MAMTC) can help you get that edge.

Working with MAMTC, you'll have access to services and public and private resources that enhance growth, improve productivity and expand capacity. Let us develop a customized solution for you.

[Contact us to learn how we can help you manufacture more success.](#)
